

DEHN GALLERY AND WORK\_SPACE PRESENT "THREE VISIONS"

A MANCHESTER ART ASSOCIATION EXHIBIT

In the world of art it is truly wonderful when "older meets younger". This is the exceptional experience happening now at the Dehn Gallery in WORK\_SPACE on Main Street in Manchester. The Manchester Art Association is currently exhibiting "Three Visions," the work of three members. Jill Disque is a professional artist whose work spans seventy years, while Karolina Kopek and Austin Pouliot are up and coming artists in their twenties.

Jill has shown and sold her work in New York and other active art markets. Karolina's entry into the art world is full of color, excitement and newness bringing a fresh appeal to the exhibit. Austin's work shows a wide range of his abilities in several different mediums, often focusing on local historic scenes and familiar subjects.

The THREE VISIONS exhibit will be open to the public at WORK\_SPACE, 903 Main St., Manchester, during gallery hours, weekdays 10 to 4, and will remain on view until mid-July when the Manchester Art Association will present a full membership show.

A reception will be held Friday, June 15 from 5:00 to 7:00 pm.
