

The Manchester Art Association
Invites you to join other would be artists at our

OPEN STUDIO

We're all learning here, it's open to everyone, and absolutely free!

Supplies are available to get you started in drawing, watercolor, or acrylics.

WHERE: Manchester Community Y (2nd Floor)
78 N. Main St., Manchester, CT

WHEN: Every Wednesday
10 AM – 4 PM

OPEN STUDIO is a friendly group of ever changing faces who like to drop in to draw or paint, and who help each other explore artful possibilities. If you need a little (or a lot of) guidance, people are there to help you. If you just want to do your thing, it's a quiet, comfortable place to do so. The coffee pot is on, bring a snack if you plan to be there more than a couple of hours (a microwave and fridge are available), arrive and leave whenever you like within the time framework.

Bring something to draw or paint – an item or a photo, or just come to play with color and shape. It's fun - kind of like a painting party. Come! Give it a try! You might be very glad you did.
