### **Drawing II - Course Description**

Discover the origin of art - Drawing. Enhance your creative skills and obtain further insight into this unique world.

This course focuses on the advanced artistic theories and techniques of aerial perspective, linear perspective, and portraiture. Topics include nature, architecture, and the portrait.

### **ABOUT THE ARTIST**

Carmen Canal earned a BFA in Illustration at the Hartford Art School at the University of Hartford and an MFA in Illustration at Western Connecticut State University. She has exhibited her watercolors and drawings in numerous solo and group shows, and her work appears in national and local publications. In addition, she has been the recipient of art awards and honors in Connecticut, Colorado, and Washington D.C. Her naturalistic paintings and drawings accent themes of beauty, nature, and the archetypal heroine.
