### *Mixed Media Workshop*

We will be doing 15 minute collages for the first couple of hours, and then we will work on our large collage/mixed media piece.

### *ABOUT THE ARTIST*

As an art major at Manchester Community College, Ellen worked in sculpture with various materials as she learned metal braising and arc welding techniques. She broadened her interests participating in various drawing classes including live classes. Her educational pursuits included cultivating a great interest in Art History. Ellen also took an interest in oil painting. She has been in many school exhibits and galleries in the Manchester area. She worked 34 years with the State of Connecticut and is now retired. While working, Ellen kept her hand in art from painting friends nurseries to writing and illustrating children's books. Retirement has given her the opportunity to resume artistic pursuits. While photography is Ellen's great passion, she also enjoys working in mixed media, watercolors and acrylics. Her work has most recently been displayed at Maple and Main Fine Arts Gallery in Chester and the Manchester Memorial Hospital Gallery. She is a member of the Manchester Arts Association.
