### *Puppet Workshop*

We start with a brief history of sock puppets (lots of fun!). Each participant will then create their own stylized sock puppet whether it be human, animal or otherwise. We start with socks of all sizes and colors. Then, tap into your creative vision by adding your own unique touches including such things as eyes, nose, ears, mouth, hair, clothes and, maybe, antennas, moustaches, or whatever your puppet needs to come alive. Making a sock puppet is fun and all materials are provided! Ages 6 and up.
